

The Tour Quiz - a new way to discover Italy

Mission

Since 2015 we have organized cultural treasure hunts, spreading our knowledge of cities full of art and history in a fun, playful and unconventional way, transforming visits into unforgettable adventures.

What is it the **Tour Quiz**?

The Tour Quiz is a cultural treasure hunt, done in a team. Participants are divided into groups of 2 to 10 people.

It is proven, that while discovering the most charming places of the city, **participants get to know each other better, collaborate, make creative tasks and building better relationships!**

We have different tours for different purposes, from fun and playful ways to discover a city, to tours that focus on education or team building.

Who participates?

Our participants are always active and curious, both youngsters and adults, couples, friends and families with kids.

We show Milan to Milanese, Venice to Venetians, Rome to Romans and Italy to tourists.

Our main customers:

- young couples
- friends
- families
- adventurous and sustainable travellers
- companies

How to play the Tour Quiz?

Our standard Tour Quizzes last about 3 hours and include 10 to 20 different stages. Here's an idea of how it works:

Meet at the meeting point, where we explain the game

We give out the 'tools', which is a map, a booklet and the bracelets in the team colour.

Start of the game - teams go off by themselves - usually start at different times or from different points to not get in the way of each other.

Follow the path laid out, reading the booklet and answering the quiz questions on the way.

Everyone finishes and we award the winners!

Where can you play the Tour Quiz?

We have ten different routes in Milan, five in Venice, three in Rome and one in Monza.

On request we can organize tours in other Italian towns.

Specific tests and quizzes

Not only by foot

Are you an active team that loves adventures and also loves sports and energy experiences?

You can take a **Bike Tour Quiz!**

You will be accompanied by an expert guide who will take you through the most beautiful and safe streets, and in every place you will discover the stories and answer the quizzes.

The Quiz Tour takes place in Milan in less touristy districts and with easily passable roads by bike: CityLife, Parco Sempione, Via Venti Settembre.

In collaboration with our partner we have the opportunity to make bike tours for groups of 4 to 40 people by providing high quality bicycles.

Available languages: Italian, English, Russian and Dutch.

On request we can organize the bike tour also in other languages.

The quiz during the dinner for the superb teams

Do you want to put your team to the test with an intelligent, stimulating and creative activity during a dinner or an aperitif?

Our unique format is a kind of **pub quiz** (or Trivial Pursuit for instance), but much more engaging and fun.

It is a game where teams give their best by answering questions and doing different types of activities.

Everything is conducted by a charismatic and entertaining presenter who makes a real show the game.

The duration of this activity is about 2 hours.

We organize quizzes on general knowledge and those on specific subjects: geography, music, films and many others.
